POSTPONED SEA FROLIC NOW SET FOR APRIL 30; FOURTEEN HOURS OF GAIETY PROMISED

SUNSHINY WEATHER ANTICIPATED
BY SKIPPER VAN VLECK;
250 TICKETS SOLD

Since the weather has taken a turn for the better, and decidedly, Deep Sea Frolic Skipper Bill Van Vleck unpeeled his weather eye late yesterday and announced that he was relieved, to say the least, that the boat ride was postponed last quarter.

"If you remember the weather on the original date, March 12, you may recall the foggy, dismal day. Members of the committee thanked the gods that Paradise Cove had been previously washed out, necessitating postponement of the original date until the latter part of this month, April 30."

PROFITABLE

Van Vleck and his committee sold 56 additional tickets at the frolic booth outside the men's gym registration day, boosting the total of tickets disposed of at more than 250.

With the deep sea frolic coming seven days before Spardi Gras, Spartans will have one full week to get into the spirit of San Jose State's annual carnival day. Spardi Gras day has always reserved the best weather for its celebration, according to members of the committee, and weather for the boat ride is supposed to come in for its share of sunshine.

SCHEDULE

Boat ride plans include two train rides, two ferry rides, a barbecue at popular Paradise Cove, situated on the shores of San Francisco Bay, swimming, and dancing. It is scheduled to take up the entire Saturday—from 9 a.m. until 11 p.m. The total price is \$2.00, and tickets may be procured from any member of the committee or from the Frolic Booth every Tuesday from 12 noon until 2 p.m.

French Society To Enact Play For Palo Alto

For what probably is the first time in the history of San Jose State college, one of the school's dramatic groups will play outside the city. Due to requests by many Palo Alto groups, Iota Delta Phi, French honor society, will present "Tovarich" in French at the Palo Alto Community Theater on April 29.

Dr. Boris Lubowski of the modern language faculty plays Prince Mikail, and his wife, the Grand Duchess Tatiana, is portrayed by Miss Beatrice Cubicciotti. Others in the cast are Dr. L. C. Newby of the faculty, Margaret Blizzard, David Michaels, and Bernard Murphy. The director is Arthur Van Horn and the stage manager Peter Mingrone.

"Tovarich" was first presented by the same cast during the winter quarter in the Little Theater. The price of admittance for the evening performance in Palo Alto will be forty cents.

Music Competition Closes Today At Noon; Ten Prizes

Manuscripts Must Be
Given To Secretary

Offering a total of eighty dollars in cash prizes, the San Jose State college creative music contest closes today at 12 noon. Manuscripts must be entered by this time to be considered eligible.

All compositions are to be turned in to the Music department secretary to be numbered so that they may be treated anonymously by the judges.

Allotted to the Music department for the annual contest in order to increase interest in creative music on the campus, the money will be awarded in ten prizes of ten and five dollars each in the five divisions, with an extra five dollar award going to the best of the first prize winners.

Students have been asked by Mr. George Matthews, faculty chairman of the contest, to write compositions in ink on regulation size manuscript paper before handing them in.

Judges for the contest have been chosen but will not be announced until after the prize winners have been decided. All full time students of the college are eligible to compete.

HOSTESSES PREPARE TO TAKE OVER UNION

Associated Women Student hostesses are drawing up final plans for taking over the care of the Student Union.

Information desk, magazine racks, and added furnishings are now installed in the Union and hostesses are ready to serve Spartan students in any way possible.

Final arrangements will be made tomorrow concerning the schedule of hours for the girls who serve as hostesses.

The regulations passed by the student council will be placed on the bulletin board in the Union, and students are requested to cooperate with the A.W.S. in observing them.

"Hostesses are not trying to be policemen, but want to aid the student body as a whole," declared co-chairmen Elise Terry and Jeanne Ewing.

Inter-Fraternity Council Changes Constitution; Complete Reorganization Made

Complete reorganization of the college Inter-Fraternity council was one of the decisions reached by that group at a dinner meeting held Thursday evening in the school tea room.

It was decided to draft a new constitution for the organization so as to make it a more active group than it has been in the past. The constitutional committee was composed of council presi-

Jack Wiles Chosen To Take Charge Of Special Election

Spartan Revelries Players Hold First Rehearsal Of Show

SONGS MAY BE INTRODUCED OVER
AIR; DRAMA CRITICS TO
SEE PERFORMANCE

DON WALKER NAMED PREXY BY SENIORS; ALDER THURMAN, V.P.

Don Walker heavyweight boxer who recently won the Pacific Coast Intercollegiate boxing championship, was elected president of the senior class at that group's meeting Friday, succeeding Alder Thurman.

Thurman, varsity track man and last quarter's senior prexy, was elected vice-president.

Phil Weed was chosen sergeant-at-arms, and Verda Brown, social affairs chairman and prominent senior co-ed, was elected secretary-treasurer. Jessie Murray, secretary to Student Body President Jack Marsh, was elected A.W.S. representative.

SECRETARY RETURNS

Mrs. Jessie Applegarth, former secretary to Controller Neil O. Thomas, will return to her old position after a year's leave of absence, according to Dick Lare of the office staff.

Speaking parts in the coming Spartan Revelries musical comedy, "Hop, Skip and Cheer", were tried out last night at 7 o'clock in the Morris Dailey auditorium. This was the first cast rehearsal of the show, the chorus having been tapping their routines for the past month.

FERGUSON-RAPOSE

Elree Ferguson, the female lead; Joe Rapose, "California Hour" winner; Gail Harbaugh, Spartan's "Moutha" Raye; Victor Carlock, who will interpret a modern Dean; and the Continental Brothers, George Ryan, Bill De Diego, and Jim Bailey, went through their parts for the first time with no apparent mishap. Judging from the lines written by Director Jim Bailey, the show promises to be a mad riotous hit.

Meanwhile, late in the afternoon, Shirley Montgomery, director of the dance, put her charges through a fast stepping opening routine combining a modern version of trucking with the old fashioned openings of yester-year.

SONGS MAY BE AIRED

Songs by Jack Green, musical director, and Emile Bouret, band leader, were played in accompaniment to the dance routines.

Joe Sanders, the "old lefthander", has been contacted by Assistant Director Ben Melzer at the Palace Hotel in San Francisco; there is a strong likelihood that two songs of the show will be introduced over the air within the next few weeks. Drama critics of San Francisco papers are scheduled to be down for the opening on May 6 in the civic auditorium, where a capacity audience is expected.

SUMMER CAMP JOBS OPENED TO STUDENTS OF NATURAL SCIENCE

Summer camp leader jobs are now open to eight or ten students of either sex who are familiar with nature study and leadership. The camps, which are situated in various scenic spots around California, are now being prepared for the vacation season, and faculty vacancies will be filled by the end of the week. Those applying should be upper classmen who know birds, insects, flowers, trees, and rocks.

Dr. P. Victor Peterson of the Natural Science faculty discovered these camp leader openings while attending the Pacific Camping Association meeting last month.

Students Will Have Chance To Change Voting Methods

Jack Marsh, president of the associated students, announced the appointment of Jack Wiles to take charge of the special student body election which is set for April 13.

Immediately after this appointment Wiles named Bill Hern, sophomore Commerce major, to act as election judge.

COMMITTEE

Hern stated that he would name his election committee from members of Spartan Spears and Spartan Knights, campus service orders. These appointments will probably be made today or tomorrow, according to Hern.

The purpose of the election, states President Marsh, is to give the student body an opportunity to remedy certain evils that now exist in the method whereby the regular council election is operated.

PROPOSED AMENDMENTS

The proposed amendments, with this purpose in view, are as follows:

1. No student council election ballot shall be valid unless at least five (5) candidates are voted for.
2. Student body elections shall be held six weeks before the end of the spring quarter.

Councilmen stated yesterday that it is quite possible that another amendment will be added before the election. It was not learned what the content of this third amendment might be, but it is expected that it will be offered to the council for consideration at tonight's meeting.

REGULAR LOCATION

The election booths will be set up in the regular place, Wiles stated, which is in front of the Morris Dailey auditorium. The polls (Continued on Page Four)

EMILY SMITH SPEAKS ON FLOWERS

One of a series of talks, "Flowers" was the subject of the fifth lecture on the "out of doors and education" given before the San Jose city school teachers by Miss Emily Smith, last Wednesday afternoon at the Lincoln school.

Miss Smith, a member of the San Jose State college Natural Science department, precedes Dr. Karl Hazeltine, who will address the same group April 20 on the subject of "Frogs, Toads, and Salamanders". The last in the series will be a discussion of "Astronomy" by Mr. Fred Buss on May 11.

The other members of the science department who took part in this educational movement were Dr. P. Victor Peterson, Dr. Gayle Pickwell, Dr. Robert Rhodes, and Dr. Carl Duncan, who spoke on trees, birds, shore life, and insects and their relatives, respectively.

A similar extension course is being carried on in Santa Cruz county by the same instructors, with the addition of Dr. O. L. Brauer and Mr. George Stone.

Spartans Trounce S.F. Trackmen

VARSITY BALL NINE HANDS BAY CITY TEAM 10-3 DEFEAT

S. F. State Falls Before Spartan Hitting Strength

A re-vamped Spartan line-up gave results last Saturday morning when Coach Gil Bishop's baseballers handed San Francisco State a 10-3 rubbing here on Spartan Field.

Scoring three runs in the first inning and in practically every succeeding frame, the Washington Square nine was never pressed during the entire contest.

Pitcher Bill Freitas started on the mound for the Bishopites but gave way to "Third Sacker" Jim Luque in the fourth. The Gators garnered two hits and as many runs off Freitas, and six bingles and one tally off Luque. Freitas was credited with the victory.

Manny Sanchez led the Spartan attack at the plate with four hits in five trips. He shared honors with Pink Garcia, Leroy Zimmerman, and Jack Riordan. Garcia and Zimmerman both "Poked" homers, while Riordan connected for a double and a triple.

Next week the Spartans take on St. Mary's and U.S.F. Coach Bishop is making arrangements for the contest to be playing during the latter part of the week. Exact date will appear in tomorrow's Daily.

BOX SCORE

Sanchez, 2b	5	1	4
Luque, 3b, p	3	1	1
McPherson, lf	3	1	1
Garcia, rf	5	2	2
Carpenter, 1b	5	0	0
Zimmerman, cf	3	1	1
Rhoades, ss	5	1	1
Riordan, cf	4	2	2
Freitas, p	1	0	0
Morati, c	1	0	0
Smith, 3b	3	1	1

Tennis Team To Play Santa Clara

Tomorrow afternoon the San Jose varsity tennis team will tangle with the Santa Clara university in both single and double matches.

Saturday's match with St. Mary's was cancelled because of

a default on St. Mary's part. The men to play in the Santa Clara clash will be:

Singles: Harper, captain; Silver, Miner, Kifer, Graves, Egling.

Doubles: Harper-Egling, Graves-Miner, Silver-Olson.

Up to now the team has had four straight wins in a week.

NOTICES

The first meeting of the Globetrotters club will be held Wednesday at 8 o'clock in Room 1 of the Home Economics building. Elections of officers will be held.

I would appreciate it if the person who took my "Editing the Day's News" text would return it. No excuses needed. I can't afford to pay for another one and would like to get a look at the book at least.—Harry Graham.

Spartan Daily Sports

SAN JOSE, CALIFORNIA, MONDAY, APRIL 4, 1938

DEGROOT CALLS FIRST SPRING DRILL TODAY

Spartan Mentor Expects Large Turnout For Opening Session This Afternoon

Unless the weather man gets tired of beaming down upon the campus, Coach Dud DeGroot will hold his initial spring football practice this afternoon with nearly 70 candidates expected to show up.

Plans for the spring session are quite well laid, according to the grid mentor, who plans first to find the right positions for the freshman team of last year, and for the transfer players. Then the gridders will get down to basic fundamentals and finally to actual plays in preparation for the inter-squad game scheduled for Friday night, May 4th.

DEGROOT CHIPPER

Coach DeGroot is feeling quite chipper about the turnout as there will be only about a half dozen men missing from last year's record making aggregation. Last year's captain, "Pop" DuBose will leave a hole at one guard, Clyde Voorhees will vacate the center spot, Lloyd Wattenbarger has left an opening at one end, while Norm Sanders and Bill Lewis are the only backfield men that will not return.

However, these places are not worrying Dud particularly as there are men back from last year's team, together with some outstanding freshmen who will plug the holes without any difficulty.

VARSITY TO HELP

It is the plan of the Spartan mentor to have the 1937 varsity lettermen assist in placing the newer men, and find the correct position for them. One thing that does worry DeGroot is the fact that some of the footballers have failed to appear at the health office for a physical examination. He reminds all of those who want to get into a suit that an examination must be taken first.

BRONCO GOLF MATCH OFF

Suddenly called off Friday afternoon, the San Jose State-Santa Clara scheduled golf match which was supposed to be played Saturday morning over the Hillview course was postponed until an indefinite date.

Now leading the conference with U.S.F., the State golf team has easily defeated all comers in their previous tourneys. Three matches, one with the Bronco team and two with the Dons, now remain to be played.

Boasting a team whose members all have a handicap of eight or less, the State golf varsity seeks a chance to wind up the long drawn-out conference with the title in their possession. Adverse weather conditions have prevented their playing their strongest contender, U.S.F.

NOTICE

Shick tests for members of Public Health lab. section will be given in Room 31 Tuesday, April 5th, from 12 to 12:30.

Spartan Babes In 10-5 Setback By St. Mary's Frosh

Coach Hovey McDonald's frosh baseball nine went down to defeat for the second time within a week before St. Mary's yearlings, losing a 10 to 5 verdict to the Galets on the Moraga battlefield Friday afternoon. The victory made it two in a row for St. Mary's as they had previously defeated the Spartan Babes by a lop-sided score.

Matt Xavier, starting slabster, was touched for two runs in the opening inning when Fernandes, Gael left fielder, singled and was sent home by Dick Vogelsang, Moraga third baseman. The latter also tallied on Wright's hard smash to the outfield.

FANCHER STARTS SCORING

Fancher, playing center field for Sparta's pea greeners, kept the locals in the game by singling and scoring on Leo O'Grady's hit in the second stanza but that was the closest State came to overcoming the Moragans. The Gaels added a couple of tallies in their half of the second, four more in the third round and finished the scoring in the fifth when they chalked up two more runs.

A belated rally was furnished by McDonald's clan in the fourth inning when Simon, Fancher and Xavier bunched safely to account for three runs. Again in the ninth, State's bat wielders menaced Art Wright, Gael moundsman. With the score 10-4 against them, O'Grady, Rodriguez and Carruth connected for hits, but only O'Grady was able to find his way home, ending the day's scoring.

WRIGHT GOES ROUTE

Xavier and Jones handled the mound duties for the Spartans and between them the pair was touched for nine hits. Wright pitched the full route for the winners, letting State off with five safeties. Hal Carruth, diminutive second sacker for the Spartan frosh, played outstanding ball as did Fancher and Frizzi. For St. Mary's Gilbeau and Fernandes proved dangerous.

NOTICE

All girls interested in tumbling for the swimming extravaganza meet in the Women's gym Tuesday noon at 12:15 to discuss plans.

Locals In 79-52 Win; Break Three Records

By KEITH BIRLEM

Marking up 79 points to 52 for San Francisco State college, the Spartan cindermen decisively took their first meet of the 1938 season at Kezar stadium Saturday.

Breaking three meet records, tying one, and sweeping three field events, the Spartans edged out an early meet lead held by the Gators and turned the final events into a rout, marred only by a close win in the mile relay by the Franciscans.

TRACK RECORDS

Owen Collins started the meet rolling by romping in with a 50

flat quarter to break the first meet record and to lead Collin of San Francisco to the tape by seven yards. Len Herman showed a kick finish that allowed him to outdistance teammate Walton who led the pack for 800 yards of the half mile. This one-two finish gave the Spartans eight points and Herman a tie for the meet record of 2:02.8 minutes.

Tony Sunzeri outvaulted teammates Fahn and Staley in the first clean sweep of the day to give the Spartans a new meet record of thirteen feet. Sunzeri had little trouble in clearing the bar at this height and bids fair to do a little more point-gathering during the rest of the season. Tickie Vasconcellos led Al Parr and Charlie Bendeich in that order for a new record in the broad jump with a leap of 23' 3/4".

TODD COASTS

Lowell Todd was not forced to any great attempts in the javelin throw and easily won the event with a toss of 180 feet with the closest competition, Robey of San Francisco, tossing the spear out 154 feet. Don Presley started his point gathering in the discus event by copping a first with an unspectacular heave of 123' 2".

Hank Vasconcellos was robbed of a win in the century by Theofield of the Gators who followed the Spartan flash for eighty yards to nip him at the tape with Hopkins edging in for a second somewhere between the nip and the tuck.

Captain Collins came through again to win all of the way in the 220 with the good time of 21.9, and Pierce added a second to the total by taking Theofield pulling up.

Vin Ruble split his share of the laurels with Franciscan Kline

Local Boxers Lose Matches In Nationals

Captain Jim Kincaid and heavy-weight Don Walker, San Jose's two representatives in the National Intercollegiate boxing tournament, were eliminated Thursday night by two eastern punchers.

Both men lost by the technical knockout route. Kincaid, who will captain the Spartans through next year's ring schedule, was defeated by Anthony Guida of Temple University after 1 minute and 20 seconds of the second round.

Walker, Pacific Coast champion in the heavyweight class, lost out to Leo Katalinas, rugged Catholic University entry, in the third round.

for the distance races. Kline challenged Ruble's lead throughout the mile but could not keep the pace of the Spartan and finished a yard behind.

San Jose's Barbano leaped 5'11 1/4" for a first place in the high jump with Tickie Vasconcellos, tying Hopkins for second. Hank Vasconcellos and Watson Poole just clipped the bar to lose out for a four way tie for second.

Don Presley, dusky giant, again for two more firsts with a win over Gator Hopkins and Hugh Staley, the other Spartan iron man in the high hurdles. The time was :15.9 seconds. His other event was the shot put with a heave of 45'4", just two feet better than Socrates Pantages and Isadore Stein of San Francisco.

First Year Track Squad Swamps Menlo 91 - 30

Paced by a seventeen point scoring iron man the San Jose State frosh whipped a Menlo junior college track team at Spartan field by a score of 91 to 30.

Sizzle Kerr, the frosh sensation, won the quarter in 52.2 seconds and jumped 20 feet 5 1/2 inches for another first in the broad jump. He then pulled up for a dead heat win with Jim Edgemon in the 220 which he followed by a second place in the high jump behind Freshman Sidsensol. Then to top the performance he ran anchor lap on the winning relay team.

Miller added ten points for a double win in the discus and the shot. Pyle repeated his first place performance in the high hurdles with another in the low barrier race. Another high point man was Sidsensol who took thirteen points after a winning century, five points in the high jump and a second

spot in the broad jump. Menlo grabbed its only two first places in the pole vault and the javelin. Briggs of Menlo vaulted ten feet for a first in this event and Dickson of the visitors tossed the spear 170 feet 6 inches for five points.

In the relay, the frosh team of Edgemon, Balma, Maroney, and Kerr ran 3:37.2 for an easy win over the Menlo J.C. squad.

EXAMINATIONS FOR L. A. TEACHING POSITIONS TO BE HELD ON SATURDAY

Examinations for elementary and kindergarten teaching positions will be given Saturday, April 9, by the Los Angeles city schools system.

One requirement for the elementary examination requires training or experience in arts and crafts, music, nature study, and elementary science. The candidate must also be capable of directing a physical education program for the grades.

All kindergarten candidates must be able to play the piano and must have had special training or experience in nursery school work.

Further information that may be needed by any of the candidates may be had by calling at the Appointment office.

News Briefs

MRS. HERREN LEAVES

Retiring after five years as head bookkeeper in the Controller's office, Mr. Marguerite Herren will be replaced by Miss Hazel Brown, it was announced yesterday.

Miss Brown has been employed by the college since last spring.

Mrs. Herren was graduated from San Jose State college in 1933 and has served as a member of the staff of the Controller's office since then.

THOMAS BACK SOON

Neil O. Thomas, controller of San Jose State college, will be back at his desk in about two weeks, it was learned yesterday from Dick Lane, member of the office staff.

Thomas recently returned home from the San Jose hospital, where he was confined with pneumonia for about two weeks.

DIRKS TO SPEAK

George Dirks, president of Kappa Delta Pi, national education fraternity, will speak tonight at a meeting of the society to be held in Room 155 of the Speech wing at 7:30.

A recent trip to Atlantic City to attend the educational convention held there will be the topic of Dirks' talk.

Police Freshmen Hold Class Party

The Los Gatos History club was the scene of a general get-together Friday night for the freshmen students of Miss Margaret Douglass' Police public speaking class.

Among those who attended the party and had charge of arrangements were Arlen Basile, finance; Peter Nardi, refreshments; Gus Fritz, entertainment; and transportation, Jack Mann.

ELECTION PLANS

(Continued from Page One)
will be open on the day of the election from eight until five. The file system of voting which was instigated last year and found to be very satisfactory, will again be used. Students must present their student body cards, which will be checked off on the student enrollment list, before they will be allowed to vote.

"Y" To Sell Lost Items

All lost articles turned in last quarter and not claimed go on sale in the "Y" room on Wednesday.

Books, pencils, pens, mittens, and other school supplies and wearing accoutrements will be sold at startlingly low prices, according to Miss Betty Stevens, chairman for the sale.

The sale will take place from 9 to 4. The password is "come early and avoid the rush".

Forum Will Hear Editor

As a follow up of last quarter's discussions of propaganda as a motivating force in recent political issues, Mr. John Brokenshire of the Adult Education center in San Jose, and formerly editor of the San Jose Mercury Herald for 17 years, will speak before a meeting of Open Forum tomorrow noon in Room 2 of the Home Economics building.

Mr. Brokenshire will speak on "Propaganda Today". The meeting will begin promptly at 12:20.

Music Group Makes Tour

Twenty-five students from the San Jose State college music department attended the bay section meeting of the California Western School of Music Conference held Saturday, April 12. The college brass choir players for the luncheon meeting.

Directed by Mr. Maurice Faulkner of the Music department, the brass choir took a two-day trip through Lodi, Galt, Martinez, Vallejo, and Woodland last week. Returning Friday night, the choir completed their performance series with the Stanford engagement Saturday.

Poets Hear Dr. H. P. Miller

Dr. Harold P. Miller of the San Jose State college English department was the principal speaker at the twelfth annual Poets' dinner held at the Other Fellows of Central California at the Oakland Woman's City club Saturday night, March 26.

Also appearing on the program was Dr. Dorothy Kaucher, noted writer and flyer of the college Speech department, who read the prize-winning poems.

Art Group Plans Trip

Members of Sigma Tau, art honor society, held their first meeting of the quarter Thursday at the home of Georgianna and Selma Kann.

The group made plans for a sketching trip to Saratoga Saturday, April 12, where they will have brunch at the home of Miss Estelle Hoisholt, faculty adviser. Besides

Earl Rumetsch Is Placed As Finger Print Technician

Mr. William A. Wiltberger, Police school head, announced Friday that Earl Rumetsch has been placed as finger print technician of the California State Bureau of Criminal Identification and Investigation in Sacramento.

Rumetsch, former police student and secretary of Chi Pi Sigma, police school fraternity, and active in various other police activities, is the second member of the San Jose Police school to be placed at the state capitol, the other being Howard Young.

PRE-LEGAL CLUB MEET THIS NOON

The first Spring meeting of the San Jose State college Pre-Legal club, organization composed of students intending to enter the law profession, will be held today at 12:30 in Room 11, according to Mr. Owen M. Broyles, adviser.

HITT-ING THE HIGH SPOTS

With BEN HITT

(News of the day edited especially for the campus reader.)

Monday is the flat day in newspaper offices. Monday morning papers are padded to the hilt with canned feature stories and association releases which on any other day would be filed in the wastebasket to make way for a wire full of hot world news. Rarely does more than one real story break from the post-Sunday stillness. But the coming news of the week is already forming itself, and often the big break on Wednesday or Thursday can be vaguely foretold as early as the first of the week.

This week—what can we expect to be in the headlines this week? It is hard to announce the unexpected, but the expected is already shaped by the news of last week.

MEXICO—no one will be surprised now at any news coming from the southern republic. Cardenas is set doggedly to force ahead his "Mexico for Mexicans" policy, but the President—proletarian dictator, is faced with growing opposition among his own working class followers. He has also to face the wide but disorganized opposition of church and landed middle-class. And the U.S. too exhibits lessened sympathy for the first Indian president to occupy the Mexican white house. Mexican news for this week is likely to feature the political fate of Cardenas—the man on the hot spot, the North American Schusnigg.

WASHINGTON—By this morning President Roosevelt will be back on capitol hill. Revolt on the reorganization bill brought the President speeding north from Georgia, determined to effect the most favorable compromise possible on what critics call his "dictator" bill. This week's news will bring the verdict.

SPAIN—Surely, the world cries, the Spanish war will end this week. Surely the valiant Spanish constitutional government can hold out no longer against Franco. Yet the war was supposed to go Franco's way on a certain October 15th more than two years ago. Will this be THE week?

the trip they discussed the decoration of the Student Union, which work they are doing with A.W.S.

Spartan Knights

Spartan Knights, campus service fraternity, will hold a pledgeship dinner tonight at 6:30 in the college cafeteria-tearoom, was the announcement made Friday by Jack Wiles of the organization.

DeWitt Portal, boxing coach and faculty member of the order, and Mr. H. F. Minssen, vice-president of the college, will give short talks on the purpose and background of the group.

Chief speaker of the evening will be Dr. Pierce C. Barrett, local neurologist and psychiatry expert.

SOPHS CHOOSE ANDERSON AS CLASS PREXY

Charles Anderson was elected to head the sophomore class for the spring quarter at a special meeting held Thursday noon. Frances Toland was elected vice-president and Fradelle Krauss secretary. Treasurer is Bob Garcia.

Plans for the annual sophomore dance were discussed. The theme "Rhapsody In Blue" will feature the novel setting for the hop, to be held April 23 in the civic auditorium.

It was decided that Roger Burke's orchestra will play for the affair.

Fashion Show To Be Given April 8

With a large group of popular students as models, the college A.W.S. will present a Spring Fashion show on April 8 at 8 o'clock in the Morris Dailey auditorium.

Loaned through the courtesy of a downtown store, the clothes to be shown will give the students a view of the latest in spring attire for both men and women.

The show will be the first of its kind ever held on Washington Square campus and has Virginia Morgan as its general chairman.

Spring Activities Begun By Radio Speaking Society

Willis Green Heads Studio Group

Willis Green, newly elected president of the Radio Speaking society, contacted his supporting officers for this quarter late this week to lay further plans and elaborate upon those started by Jack Gruber, founder and past president of the society.

PLEDGES SUPPORT

Aided by Lorraine Callendar, vice-president; Eileen Brown, secretary-treasurer, and Jack Baldwin, press representative, the new president pledged his support to the group.

Gordon Roth was reappointed to the position of sound technician by Mr. William B. McCoard, adviser to the society and director of the group's radio productions.

INSPECT EQUIPMENT

At the meeting held last Tuesday members of the society inspected new equipment installed by Gordon Roth during vacation. New microphones, speakers, call backs, studio indicators, and complete furnishings for the broadcasting booth were purchased for the use of the Radio Speaking classes and other speech classes.

The business meeting was adjourned to listen to characterizations presented by members of the club as an aid to future casting.

Seniors Should Have Pictures Taken Soon

All seniors who have not had their pictures taken for La Torre must do so at once if they wish it to appear in this year's annual. The deadline has been set for Monday, April 11. This is definite and will not be changed for anyone under any circumstances. If anyone fails to meet this date there will be no picture in the book for that person.

who states that the A.W.S. committee has spent much time in order to make the show an assured success.

NOTICES

Any art students who have not had their last quarter's work returned may get their drawings at the Art shop any day between 11 and 12.

Tonight at 8 o'clock there will be a meeting of the Yal Omed club at the home of Harry Harter on 380 Pomona avenue in south San Jose.

Pi Epsilon Tau will hold a formal initiation meeting tonight. There will be a meeting for old members at 7:00 and the initiates will come at 8:00.

Lost: A brown leather knapsack containing science and mathematics' texts on the campus. Finder return to "Lost & Found". Reward offered.—Paul Chambre.

Opportunity for six or eight to ten upperclassmen with an all-around background in birds, insects, flowers, trees, and rocks to work as camp leaders with the Pacific

Camping Association in the Sierras, Coast, and Big Basin. Inquire at Natural Science department.

There will be a short business meeting for all Men P.E. Majors Tuesday, April 5, at 11 o'clock in Room 210 of the Science building.—Clyde Voorhees
